

FASTbreak

BASKETBALL ACADEMY

2026 SPONSORSHIP PACKAGES

Fastbreak Basketball Academy was founded by Jarryd Hoppe, current NBL1 player for the South Adelaide Panthers and former USA Div 1 College Basketball player from the Southern Utah Thunderbirds. Jarryd has also represented the state of South Australia at National Championships four times.

Fastbreak is a unique skill-based academy led by international and local based coaches for young basketball enthusiasts ranging from ages 5 years – 19 years of age.

With a holistic approach to player development, Fastbreak Academy provides a foundation of coaching and mentoring around:

- Building an athlete's mindset and mental preparedness to face opponents and perform at an elite level mentally.
- Developing and acquiring the basic components of ball skills and game day play.
- Leadership and communication training through coaching and a team-based building framework.

With over 1000% growth since opening the Fastbreak doors in Summer 2019 as a start up with 3 teams, fast forward to the 2025-2026 season & Fastbreak boasts 27 teams registered within the SDJBL domestic competition. Additionally, the successful sold-out school holiday clinics continue to be popular with over 350 athletes attending each event, incorporating a wider audience and representation from district and domestic sporting clubs across SA.

To support the growth and development of the business, coaches, and athletes while remaining true to our core values and dynamic contribution to the community, we are seeking connection and business partnering by way of sponsorship packages.

We are committed to collaborating and building meaningful and long-term relationships. We are looking for a reciprocal approach in forming alliances and are willing to support the promotion of goods and services to all of our members and database for all sponsors as a return on investment.

Sponsorship funds will be distributed across a diverse section of the business including support for coaches and athletes.

Fastbreak Academy is committed to paying it forward and investing back into athletes, families, and communities. The Fastbreak Academy Scholarship Fund is our platform providing and investing in opportunities for athletes that may not otherwise have an opportunity to play, rising talent, coaches and families. Each sponsorship package has a percentage assigned into the scholarship fund to be determined and distributed by the Sponsorship committee. For all enquiries contact our sponsorship director Ben Natt ph. 0438 308 883
